Redmond Upgrades to First Class

By REDI Staff | Jul 19, 2018

At the peak of the summer travel season in July, Alaska Airlines introduced a new aircraft to Redmond, a [Boeing 737-800](#), in its response to sky high demand for air service from Redmond to Seattle and Portland. This is good news because it means that the economy in the Central Oregon region is growing enough to sustain increasing travel requests to these destinations.

Redmond on the Move

By REDI Staff | May 10, 2018

Recently, REDI hosted over 200 guests at our Annual Luncheon. This year the focus was on entrepreneurship, education alternatives, and disruption in a millennium old industry. The featured keynote was Max Lock, a young ice cream artisan turned entrepreneur who is founder and CEO of a multi-million dollar logistics company, called Fleet (www.tryfleet.com).
